BRIEF ABSTRACT OF LETTER

Requests that orders may be passed directing the stoppage of payment of Commissions &c to Govt officials employed in the collection of fees &c during the Jatras of the several Muzrai Institutions in the State

NOTES AND ORDERS.

f. 6 of N

In G.O. No 532-41/Muz 7 85-11-281-9-11 the allowances paid to the taluk Gumastas for doing the clerical work connected with the management the Sivaganga Math villages, were directed to be stopped.

2 The reasons why they were stopped were chiefly

1) that the clerical work of the village made no appreciable ~~work to that~~ addition to the ordinary work of the Gumastas

2) that the gumastas doing similar work for the Sri Uttaradi and Sri Vyasaraya Matts do not get any remuneration therefor and that, consequently, there are no special reasons for granting it to the clerk doing the work relating to the Sivaganga Matt

3. The Comptroller now states that the above order is not of general application so as to apply to all ~~kindred~~ cases in which Govt servants are employed on work relating to the management of Muzrai institutions. He refers to some cases in which Govt have sanctioned bills on account of commission to taluk officials for collecting fees at Jatras and on account of feeding charges for such collection establishment The order No 3090-1/ Muz. 580-11-2 & 1st June 1911 mentioned by the comptroller is of an earlier date than the order relating

to the stoppage of allowances to the Sivaganga Matt clerks But since that date, several other estimates and bills have been sanctioned on account of expenses in connection with ~~the~~ some of the institutions referred to in the Comptroller's letter These bills might include ~~the~~ the items objected to by the Comptroller, but as the bills are sent in original from this office to the Comptroller, the items in the bills could not be ascertained in most of the cases. The Comptroller want these allowances also to be stopped.

+ It is respectfully submitted that there seems to be some difference between the commission (that was being) paid to the Sivaganga Matt clerk and that paid to the gumastas employed in the collection of Jatra fees. Whereas the former ~~do~~ do the clerical work connected with the management of the villages by Govt, the latter are employed in the actual collection of fees which work need not perhaps be necessarily done by

~~DR~~ 21.8.12 7. While payment of commission & Taluk Amaldars for doing work in connection with matters may be considered to be unjustifiable on the ground that they have to do it in the ordinary course of their official duties for which the matter work will be no appreciable addition, the actual collection work ~~of~~ at Jahas throws a large quantity of ~~duty~~ work on the officials concerned; and they have further the said from out of the collections actually realised.

Instead of utilising Govt agency for this work, if work said agency is employed, it will cost more

11 The service rendered by the Talukdars Officials at Jatras in the collection of rents and fees must be considered to be on a different footing altogether. The work done is of a kind totally different from their legitimate duties and imposes a very heavy strain upon them and this they have to do in addition to their regular work. If they are also sometimes fed is because their presence is necessary in the very morning and evening and being a long hard day they cannot make their own arrangements for meals at what is usually an out-of-the-way place. Considering all the circumstances,

the consideration now shown to them by way of payment of commission and by free feeding is not adequate and is only a fair recognition for the unpaid work turned out by them. On the whole the district Chowkidars are grievously overworked. Collection by private agency like at once be unsatisfactory and uneconomical. Private contractors to undertake the lease of such collection cannot be had in view of the long hours.

If need be a regular scale maybe adopted which may be slightly different according as free feeding is also given or not. In the former case a 3% Commission and in the latter a 5% Commission maybe granted

15 The report received from the Dy. Commr. shows that the practice in respect of payments to canvassers is not uniform in the district. In some places the registers of voters for the year are sold by auction & given out on contract & in such cases the contractor receives for his payment a commission. In others the collections are made entirely by the temple servants themselves & by the agents of the Dharmakartas where agencies exist for the purpose. In such cases I think it would be better if the Dharmakartas & the Dy. Commr. & Sanctioning Authority commence an exception of 3% to the collections by the agency of Employees for the purpose provided that no fee of the agency or Employees or Establishments entertained for the work and that the fees which are deposited & for the work actually done & if any collection with the additional & refund the payments & incl. and wrong duties.

SIR,

I have the honor to invite your kind attention to Government Order No. 532-41/Muz.285-11-2 dated 1st September 1911 observing that there are no special reasons for the grants of any additional remuneration to the Taluk Gumastas for the clerical work entailed by the management of the Sivaganga Mutt affairs, and to state that the order applies only to the work connected with that Mutt and is not of general application in all cases where Government servants are employed on work relating to the management of Muzrai Institutions. Taluk officials are generally employed for collecting fees &c., during Jatras held in several places of the province in connection with temples,

Recently a Government Order No. 3090-1/Muz.F.780-10-2 dated 1st June 1911 sanctioned a bill for such commission &c., which has accordingly passed. As the bills for such claims are being received with Government sanction, they are being admitted in audit. But these claims are opposed to the principle of Article 19, Mysore Service Regulations and Government have also disallowed such claims in respect of one institution namely the Sivaganga Mutt. As the order contained in Government Proceedings No. 732-11/Muz.F.87-11-2 dated 1st September 1911 is ~~not~~ of general application, I request you to obtain the orders of Government as to whether such claims are not to be held inadmissible generally consistently with the rule contained in Article 19, Mysore Service Regulations.

S I R,

With reference to Government order No.2157-64/Muz. 526-11-2 dated 19th May 1913 calling for information regarding the jatras held in this District etc, I have the honor to append a statement showing the names of the principal jatras held in connection with the car festivals in some of the muzrai institutions and to state that no system of paying percentage commission on the fees collected during the jatra, prevails in this District.

2. The collection work is generally being done by the Dharmadarsis and Patels and Shanbhogues of the respective villages wherein the institutions are situated, under the supervision of the Taluk authorities. The amount thus collected will be credited to Muzrai Funds except in the village of Naikanhatti, wherein the question whether the income derived from the jatra should be credited partly to Muzrai and partly to District Funds, is still under correspondence (vide your letter No.1872/Muz 533-12-3 dated 23rd April 13).
